For Immediate Release

ScannX to Exhibit Advanced Book Scanning Solutions to Modernize Libraries at FLA 2024

May 9, 2024 – (Pleasanton, California) – ScannX®, the leading developer of cloud-based book scanning solutions for libraries, today announced that it will exhibit in **Booth #505** at the **[Florida Library Association (FLA) 2024 Annual Conference](#)**, held at the Hilton Doubletree Universal, Orlando from May 15-17.

Experience Transformative Book Scanning Solutions In Action
Come witness the power of [ScannX](#) cloud-based scanning solutions in action, see a live demo of their award-winning book-edge and overhead book scanning solutions, and experience the transformation firsthand. Visitors can also enter a drawing to win a [Scannx OS1800 overhead scanner](#) with translation services and handwriting recognition FREE for the first year (*may cancel at the end of the year or renew at $199/year for unlimited use*). Attendees can meet the ScannX team and learn about their services in digitizing library collections, streamlining workflows, and improving patron experience.

"At ScannX, we believe in transforming libraries through innovative and affordable digitization solutions. Our latest technologies, including overhead scanners starting at $2500, will be on display, and we are excited to connect with library professionals from across the state who share our passion for making knowledge accessible to all," said Rebecca Dennis, CEO of ScannX.

[ScannX book scanning solutions](#) revolutionize workflows and optimize efficiency. By instantly converting scanned content into digital formats, they eliminate the need for traditional copiers. The entire line of cloud-enhanced scanners, [powered by ScannX software](#), offers a unique and efficient way for patrons and staff to scan, save, and access information. ScannX software automatically crops, deskews, and auto-orients scanned content and sends it to over 25 user-selectable destinations.

About FLA
The Florida Library Association is a statewide organization that promotes excellence in Florida libraries by advocating strongly for libraries and providing high-quality professional and leadership development for a diverse community of library staff, volunteers, and supporters.

About ScannX

ScannX is a leading provider of award-winning document and book scanning solutions, leveraging innovative IoT technology and cloud-based support. Focusing on seamless integration and enhanced accessibility, ScannX empowers libraries to digitize and store content effortlessly, transforming how information is scanned, stored, and accessed.
