

ScannX receives Small Business Administration (SBA) Woman Owned Small Business (WOSB) certification

September 12, 2024 – (Pleasanton, California)—[ScannX®](#), the leading developer of cloud-based book scanning solutions for libraries, is pleased to announce its official certification as a Woman Owned Small Business (WOSB) by the U.S. Small Business Administration (SBA).

SBA certification qualifies ScannX to compete for federal and other contracts reserved for WOSB-certified companies and will enhance its competitive position in the scanning industry. In addition, WOSB certification unlocks potential collaboration opportunities and access to supplier diversity programs and procurement executives at hundreds of major U.S. corporations and federal, state, and local government entities.

"We are honored to be officially designated as a certified Woman Owned Small Business," says Rebecca Dennis, CEO of ScannX. "We appreciate the SBA's dedication to fostering an environment that expands opportunities for America's small businesses and encourages diverse ownership. We are delighted to qualify for participation. This enables us to expand our reach as we continue to deliver exceptional scanning solutions to our ever-growing customer base."

About ScannX

ScannX is a leading provider of award-winning document and book scanning solutions, leveraging innovative IoT technology and cloud-based support. Focusing on seamless integration and enhanced accessibility, ScannX empowers libraries to digitize and store content effortlessly, transforming how information is scanned, stored, and accessed.
