

Scanners this compact, functional, and revolutionary never go out of style.

The Zeutschel Zeta Comfort is the ideal multifunctional system for digitizing and copying, making it the perfect complement to an updated office. Unpack the device, plug it in, put in the document, and you're ready to go.

ScannX and Zeutschel: A Powerful Pairing

The Zeutschel Zeta Comfort is a powerful A3+, 600 dpi color digitization tool recognized for its ease of use, image quality, advanced capabilities, book friendly scanning, security, accessibility, and cost effectiveness. Scan modern and well as historical books, manuscripts, magazines, science reports, contracts, or other cultural heritage.

This solution combines the uncompromising quality of the Zeutschel overhead scanners, the powerful ScannX Professional Edition software, and a 21.5" touchscreen PC. With its large friendly buttons, the ScannX software guides the user through the scan process including choosing file formats, scan quality, color depth, file naming, and destinations.

Keep Your Library Green

The system also helps you meet your environmental goals by allowing your scans to be sent to or stored on a variety of media, rather than printing. The Book ScanCenter Standard Edition software includes output to email, Google Drive, mobile devices, network, print, USB drive, and Wepa. Add-on options include Article Exchange, Box, Dropbox, fax, ILLiad, Odyssey, Office 365, OneDrive, print from cloud or USB drive, print from mobile device, Tipasa, and WorldShare ILL. Translation into multiple languages is also available.

Scannalytics®

Scannalytics tracks usage statistics, enables features remotely, and distributes updates. IT and Accounting departments can use these reports to manage and optimize asset utilization and department chargeback fees.

Translation Services

Translation Services, optional at a fixed fee per year for unlimited use, enable users to scan a document and have the text instantly translated into any of 60+ different

languages. The original and translated documents, stored as Word files, can be sent via email or stored to USB drive, Network folder, Google Drive, Box, Dropbox, Office 365, and OneDrive destinations.

Unmatched OCR Accuracy

The Zeutschel Zeta Comfort is integrated with the ABBYY FineReader Engine for unmatched accuracy. ABBYY's multi-lingual document recognition engine automatically detects English, French, Italian, German, and Spanish languages.

Support Options

This unit is supported by the ScannX U.S.-based technical support and customer service teams. ScannXtra Care® is also available for customers who want advanced insights into system usage and the ability to remotely manage their ScannX scanners. The solution also includes on-site installation, calibration, and maintenance by a certified technician when required.
