

Scannx Digital Copier DC1000

Copy, Print, Scan, Email, and Fax

- Fast one touch auto-cropped copies.
- Scan and Print files to and from Cloud Storage, USB Drives.
- Print files on your Smartphone/Tablet
- Tracks usage through Scannx Cloud Services.
- Leases start at under \$200/month.
- Integrated with vending solutions to generate cost recovery income.

“Imagine a library where your book scanners and copiers all have the same core features and functionality, dramatically increasing adoption and providing a simplified user training experience with fewer mistakes and faster proficiency.”

The Scannx Digital Copier (DC1000) is our answer to the ever-changing library environment for digital document services. It's today's smart staff assistant that not only copies, prints, scans, emails, and faxes with just a few easy taps on the screen, but also auto-crops and auto-straightens the images. No more patron requests for refunds for copies printed crooked.

The Scannx Digital Copier integrates its award winning, easy-to-use software and cloud services with the copier's auto-crop and auto-straighten features, producing perfect results the first time. Reduces paper and toner costs, refunds, and staff support time.

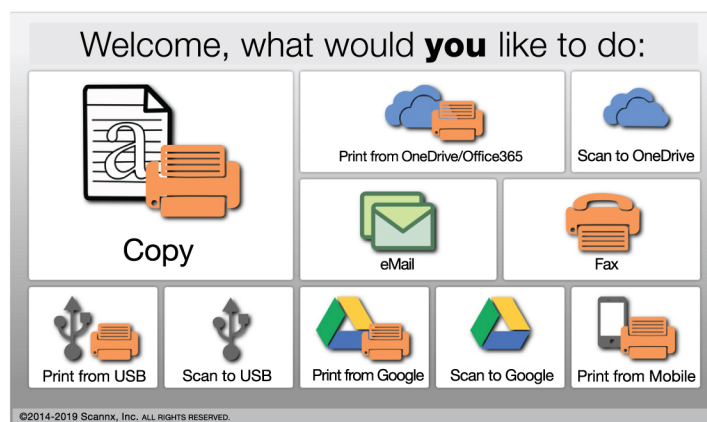

The DC1000 copier's cloud service tracks usage, pushes updates, provides revenue reports for vended solutions, emails auto-alerts when paper and toner need to be refilled, and can schedule preventive maintenance calls. Custom configure the copier's touchscreen user interface via your browser. For privacy and confidentiality, unlike other copiers, no email addresses nor scanned or printed materials are saved on the DC1000, and hence do not have to be erased annually.

Say good-bye to crooked prints, hard to use touch-screen menus, and limited, if any, on-line usage reports. Imagine an environment where your book scanners and copiers all have the same core features and functionality, dramatically increasing adoption and providing a simplified user training experience with fewer mistakes and faster proficiency. The common architecture behind Scannx capture software and cloud services includes industry-leading security, reliability, redundancy, accessibility, and sustainability features.

Fast one touch copies: The DC1000 AutoCrop and AutoStraighten features eliminate the need for users to specify document size. And no need to worry if documents are not loaded or aligned properly in the feeder or on the flatbed. Eliminates crooked prints and resulting patron refunds.

Large, easy-to-use touch panel:

Large 8" tablet-like touchscreen interface guides the user through Scannx's easy to use and intuitive interface.

Advanced scanning capabilities: Scan paper-based documents in full color in PDF, JPEG, or TIFF file format and send them to a variety of destinations such as E-mail, USB, Google Drive, Microsoft OneDrive, and Dropbox.

Convenient walk-up printing and scanning: A USB direct interface is available for printing files from or scanning files to your USB flash memory drive.

Mobile Print: Wirelessly print documents accessed from your smartphone and tablet.

Cloud Ready: Print, copy, scan and share to and from the cloud.

Internet Fax: No telephone lines required. The copier's integrated duplex sheetfed scanner and optional credit card terminal or coin/bill box can produce significant revenue for the library.

Fast, high-quality printing and copying: Produce professional black and white output at impressive print and copy speeds of up to 45 copies per minute (A4, LEFT). Use the automatic duplex printing feature to help save paper and reduce costs.

High-Yield Toner Cartridge: The DC1000 is shipped with easy-to-install, high-yield 20,000-page toner cartridges that deliver a low cost per page.

Cloud configurable: Use only those copier functions requested by your library patrons and staff.

Scannx Cloud Services: Tracks usage, reports revenues generated, and enables new features and custom configurations.

Never run out of paper & toner: Set auto-alerts for paper & toner refill levels.

Security and Reliability: Comprehensive 24 x 7 x 365 secure monitoring hosted on Microsoft Azure.

Purchase and Lease Options: Starting at under \$200 per month, lease the Scannx Digital Copier and use the funds generated from its patron generated revenues to further reduce your monthly operating costs while offering your patrons state-of-the-art digital document services.

New

Specifications

General Specification

Functions	Copy-Print-Scan-Email-Fax
CPU	Quatro 4530 / S6
RAM	1408MB
Storage Flash Memory	8GB micro sd card
Warm-up Time	38 seconds or less
Display	8" TFT LCD with touch panel

Manual tray

Paper capacity	100 pages (70 g/□ plain paper)
Paper size	A3,A4,B4,A5,B5,A6,B6,letter,Legal, Customized size 100 x 148 to 297 x 432 mm
Paper weight	60 to 210 g/□

Main tray

Paper capacity	500 pages (70 g/□ plain paper)
Paper size	A4,B4,A5,B5,letter,legal, Customized size 148 x 210 to 257 x 364 mm
Paper weight	60 to 105 g/□

Second tray

Paper capacity	500 pages (70 g/□ plain paper)
Paper size	A3,A4,B4,A5,B5,letter,legal, Customized size 148 x 210 to 297 x 432 mm
Paper weight	60 to 105 g/□

Tray 3 and Tray 4(optional)

Paper capacity	500 pages x 2 (70 g/□ plain paper)
Paper size	A3,A4,B4,A5,B5,letter,legal
Paper weight	60 to 105 g/□

General Specifications

Paper output	Top output
Paper output capacity	500 pages
Duplex printing unit	Built-in
Connectivity	Hi-speed USB2.0 (Device/Host) /RJ-11/RJ-45
Dimensions (WxDxH)	600mm x 600mm x 850mm
Weight	66kg

Features

Network Scan	Yes
Auto paper size detection	Yes
Auto Rotate	Yes
Storage Print	Yes
Security Print	Yes

Scanner Function

Technology	Contact Image Sensor (CIS), Color/BW
Light Source	LED
Scanning Mode	Duplex
Document feeding mode	ADF + Flatbed
Optical resolution	600 x 600 dpi
Scan resolution	300 /200 /150 dpi
	Color/Gray
Grayscale mode	16 bits input 8 bits output
Color mode	48 bits input 24 bits output
File format	Color: JPEG, PDF-M, TIFF Gray: JPEG, PDF-M, TIFF B/W: TIFF (bi-level MMR), PDF (bi-level MMR)
Network Scan	Yes

Scan Size

Flatbed Maximum 297 X 420 mm (11.7 x 16.5 inches)

Scanning Speed

B/W @ 300dpi, A4	40ppm / 65ipm
Color @ 300dpi, A4	15ppm / 20ipm

Copier Function

Copy Size	Double Letter (ADF only), Legal, Letter, A3, A4, A5, B4 (ISO), B5 (ISO), 8K, 16K, Postcard
Copy Resolution	600 x 600 dpi
Copy Speed (1 to many)	50 cpm (A4 LEF)
Copy Count	999, Auto Reset to 1
Background Removal	Yes
First copy output time	13 seconds or less
N-up Copy	2 in 1/4 in 1 /ID card
Copy Mode	Text / Photo/ Mixed
Auto paper size detection	Flatbed: LTR/A4/LGL/A3 ADF: DLT/A3/LG/B4/A4 SEF/A4 LEF/A5SEF/A5LEF B5 SEF/B5 LEF/LT LEF
