

Scanners this compact, functional, and revolutionary never go out of style.

The Zeutschel Zeta Comfort is the ideal multifunction system for digitizing and copying, making it the perfect completion of an up-to-date office. Unpack the device, plug it in, put in the document, and you're ready to go.

ScannX and Zeutschel: A Powerful Pairing

The Zeutschel Zeta Comfort is a powerful A3+, 600 dpi color digitization tool recognized for its ease of use, image quality, advanced capabilities, book friendly scanning, security, accessibility, and cost effectiveness. Scan modern as well as historical books, manuscripts, magazines, science reports, contracts, or other cultural heritage.

This solution combines the uncompromising quality of the Zeutschel overhead scanners with the powerful ScannX Professional Edition software. With its large friendly buttons, the ScannX software guides the user through the scan process including choosing file formats, scan quality, color depth, file naming, and destinations.

The Zeutschel Zeta Comfort powered by ScannX offers touch-screen scanning on a 21.5" panel with multi-touch technology and full HD resolution (1920 x 1080) to all All-in-One Touchscreen PC to all available destinations:

- Article Exchange
- Odyssey
- Email
- Print
- Google Drive
- Wēpa
- Network
- Dropbox
- OneDrive
- Fax
- USB Drive
- Mobile Devices
- Box
- Office 365
- FamilySearch
- Tipasa
- ILLiad
- WorldShare ILL

Scannalytics®

The solution is also integrated with cloud-based Scannalytics reporting, which provides a look at destination use and volume of scanned pages over time. These reports can be configured for weekly, bi-weekly, and monthly delivery to your email.

Translation Services

Translation Services, optional at a fixed fee per year for unlimited use, enable users to scan a document and have the text instantly translated into any of 60+ different languages. The original and translated documents, stored as Word files, can be sent via email or stored to USB drive, Network folder, Google Drive, Box, Dropbox, Office 365, and OneDrive destinations.

Unparalleled OCR Accuracy

The Zeutschel Zeta Comfort is integrated with the ABBYY FineReader Engine for unmatched optical character recognition (OCR) accuracy. This functionality delivers high-quality output formats including PDF, searchable PDF, Word, and MP3 file formats. ABBYY's multi-lingual document recognition engine automatically detects English, French, Italian, German, and Spanish languages. An optional OCR pack allows for detecting up to 189 languages.

Security and Privacy

Scannx enables users to password protect any PDF scanned document and features an advanced authentication module to prevent anonymous emails from being distributed.

Support Options

This unit is supported by the ScannX U.S.-based technical support and customer service teams. ScannXtra Care® is also available for customers who want advanced insights into system usage and the ability to remotely manage their ScannX scanners. The solution also includes on-site installation, calibration, and maintenance by a certified technician when required.
