

How to Clean Your Scannx Book Scanner 7145, 6167 and 3140 Book-Edge Scanners

CLEANING THE GLASS

1. Use a clean and lint-free cloth wet with isopropyl alcohol. (95%)
2. Open the document cover and wipe the document glass.
3. Close the document cover. Your scanner is now ready for use.

CLEANING THE OUTSIDE SURFACE

Use a clean and lint-free cloth with some isopropyl alcohol. (95%) or an anti-bacterial wipe to clean the areas of the scanner that are touched.
